Summary: Young Catherine Langford embarks on an unexpected adventure to unlock the mystery of what lies beyond the Stargate in order to save the Earth from darkness.

For more than ten years, Catherine Langford has watched her father labor over the mysterious ringed device he discovered in the Egyptian desert back in 1928. With answers eluding them both and funding running out, the Langford's situation has become desperate. As the Professor makes plans to move the ring abroad, Catherine struggles to hold on to her life in Cairo, Egypt. But when mysterious figures show up at their facility late one night, new light is shed on the device in a most sinister way.
